

Mayuri Sabne

FULL STACK DEVELOPER

Wagle Estate, Thane | 9324165321 | msabne9@gmail.com

Portfolio

<https://mayurisabne.netlify.app/>

Objective

Self-motivated and enthusiastic Full Stack Developer with 6 months of experience in web and mobile application development. Proficient in HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, Chakra UI, and React. Experienced in building applications using the MERN stack and React Native for mobile platforms. Seeking a position as a Lead Web Developer to leverage my skills in React and React Native, contributing to innovative projects in a collaborative team environment.

Experience

Psoft Solutions | Full Stack Developer

Mar 2024 - Present

- Worked on a variety of projects, handling both front-end and back-end development using the MERN stack.
- Developed and integrated APIs, focusing on cross-platform optimization.
- Designed reusable components and implemented voice recognition modules in applications.
- Developed features for sending emails and account authorization functionality using JWT in React Native mobile apps.
- Collaborated effectively with a team to ensure project success.

Moviebricks | Software Developer Intern

May 2023 – Oct 2023

- Developed websites using JavaScript, React.js, HTML5, CSS, Bootstrap, and Redux.
- Managed and prioritized tasks to meet project deadlines.
- Collaborated with a team of developers to ensure successful project completion.
